BRIGHTHANDS CAREGIVER ADMISSION PROCESS

Our First Approach

Prior to admission there is a procedure called "The Home Safety Assessment" a totally **FREE** service, which include a thorough inspection of the house to make sure the safety of the client and to make suggestions on areas that will need improvements.

A BrightHands Caregiver representative will visit you at your request on the date and time you want us to visit you. The representative will make the Home Safety Inspection and make suggestions in areas that will need improvements, and contact a family member to let him/her know what was found during the process.

The Home Safety Assessment
